

DOREEN 2

202067A 12" LED Picture Light

The Doreen 2 wall light has a transitional design to fit almost any room. This matte black wall light features a slim LED head that can be adjusted to send the light where it's needed the most. The design is perfect for lighting up paintings, pictures or other wall decorations. The installation kit comes with hardware to power the light by hardwire or by cord and plug allowing it to be installed easily in a variety of locations.
