

LINDOZA

205646A 37" LED Pendant Light

The Lindoza LED pendant light will be the shining star of your space. Four linear bars are suspended in a staggered pattern from a black finished canopy. Each bar contains an integrated LED that is concealed with a white plastic diffuser to ensure warm even lighting below. Set the mood with this dimmable pendant by pairing it with a compatible wall dimmer and customize the look by adjusting the heights of each bar with the convenient push-pin system. Perfect for the dining room, foyer, or staircase this contemporary pendant will be the focal point of any room.
