

BOYAL 2
205746A 38" LED Pendant Light

The Boyal 2 LED pendant is a sculptural masterpiece that defines modern luxury with its striking, three-ring geometric design. Two sleek black outer rings flank a radiant gold-finished center ring, creating a sophisticated metallic contrast suspended from a matte black metal beam. Powered by integrated LED technology, this fixture serves as a high-impact, energy-efficient centerpiece that brings an artisanal, high-end feel to any contemporary dining space.
