

MOGANO

206012A 16" Flush Mount

The Mogano 1-light flush mount is a bold statement in modern industrial design, featuring a wide-reaching matte black dome shade. Its crisp white interior provides a clean, bright contrast that maximizes light reflection for a brilliant and functional glow. With its low-profile silhouette, this fixture is an ideal solution for bringing a touch of sophisticated, monochromatic style to rooms with lower ceilings.
