

ALAMILO

206909A 8" LED Exterior Wall Sconce

The Alamilo is a versatile and durable LED fixture designed to provide high-quality illumination for both indoor and outdoor environments. This 8-inch luminaire features a sleek black finish and a minimalist circular silhouette that functions seamlessly as either a wall sconce or a ceiling light. Its integrated LED emits a soft indirect glow that gently washes the surrounding wall or ceiling, creating a subtle halo effect and adding depth to the space. Engineered to withstand the elements while maintaining a clean, modern aesthetic, Alamilo delivers energy-efficient, long-lasting performance whether brightening a patio, entryway, or contemporary hallway.
