

PORTILLO

207122A 6" GU10 Exterior Wall Sconce

The Portillo exterior wall sconce offers a compact yet refined presence in a streamlined 6-inch design. Finished in resilient black, its ribbed metal shade features a vertically fluted texture that adds depth and subtle character to the cylindrical form. Engineered with a sealed glass end cap to protect against the elements, this durable fixture is built for reliable outdoor performance. Designed for a GU10 light source, it provides focused illumination ideal for entryways, narrow columns, or modern patio walls with clean, minimalist style.
