390177A 25" Pendant Light

The Paz pendant light features a striking composition of vertical and horizontal metal elements in a bold mix of black and brushed gold. Three white glass spheres anchor each end of the intersecting frame, forming a balanced, geometric silhouette. A square black canopy and matching textile cables complete the look, reinforcing the pendant's modern elegance. Ideal for living or dining areas, this piece blends seamlessly with contemporary interiors while offering soft, ambient illumination.
