

CHAMPERICO

390217A 39" Pendant Light

The Champerico pendant light features an exposed bulb (not included) that's encircled in a cage of black wires that pinch inward and bloom up and over the light. The open framework of the large shade creates a unique interplay of light and shadow in the room. Its unique and modern look will create an eye-catching feature in your home, whether in the living room or above the dining room table.
