

## ESPARDELLO

### 390344A 58" 3CCT LED Pendant Light

The Espardello linear LED pendant light is a breathtaking blend of modern design and customizable ambiance. Its elongated oval black metal canopy suspends two elegant rows of clear glass spheres in varying sizes, each one reminiscent of floating bubbles captured midair. Soft, integrated LEDs are hidden within the canopy above, casting a shimmering warm glow that dances through the glass. With 3CCT technology, you can easily switch between three distinct color temperatures to suit any mood or setting. Fully dimmable with a coordinating rotary wall dimmer, the Espardello offers both flexibility and flair, making it a captivating centerpiece for dining areas, kitchens, or open-concept spaces.
