PARATEBUENO

390402A 33" 3CCT LED Pendant Light

The Paratebueno LED pendant light transforms functional lighting into an artful experience. Suspended from a sleek circular canopy, seventeen sculpted birds in a rich black chrome finish appear to float midair, their wings captured in motion. Each bird is crafted from high-quality solid metal and houses a discreet integrated LED in its belly, offering 3CCT flexibility to switch between three distinct color temperatures. The birds hang at staggered heights and are easily adjustable thanks to a convenient push-pin system, allowing you to customize the arrangement to your space. Inspired by the elegance of a modern mobile, the Paratebueno adds sculptural sophistication and a touch of whimsy to any interior.

PRODUCT ATTRIBUTES

Fixture Finish	Chrome
Shade Finish	Black Chrome
Diffuser Finish	White
Width	33" (840 mm)
Depth	33" (840 mm)
Height	3" (79 mm)
Light Source	64W LED (Integrated)
