

ALMOSTER

390438A 10" Pendant Light

The Almoster is a masterclass in sophisticated material layering, featuring a unique 10-inch tear drop design composed of two separate glass elements held together in a seamless composition. The outer glass impresses with a noble copper hue and a mirrored surface, creating a luxurious, high-shine appearance that reflects its surroundings when unlit. Once illuminated, the softly frosted inner glass reveals itself from within, diffusing the light and transforming the fixture's look with a warm, glowing core. Suspended from a sleek black canopy, this fixture serves as a brilliant jewel-like accent for modern kitchens, dining areas, or entryways.
