

ALMOSTER

390441A 57" Pendant Light

The Almoster linear pendant showcases refined material layering in a striking composition of six teardrop glass forms suspended along a sleek black canopy. Each shade is crafted from two separate glass elements held together in a seamless design. The outer glass features a rich copper hue with a mirrored finish that reflects its surroundings when unlit. Once illuminated, the softly frosted inner glass reveals itself from within, diffusing the light and creating a warm, glowing core inside each form. Suspended at staggered heights, this six-light arrangement brings luminous depth and elegant rhythm to dining tables, kitchen islands, or modern living spaces.
