# BERNABETA

**39707A** 46" Pendant Light

The Bernabeta 10-light pendant blends minimalist design with layered lighting effects. Each slim black cylinder features a clear acrylic band with subtle bubble detailing that emits ambient light outward, while the open bottom provides focused, downward illumination. Together, they create a distinctive lighting effect that adds depth and atmosphere to the room. Replaceable LED GU10 light bulbs are included for added convenience. Evenly spaced along a linear canopy, this striking fixture brings balance and visual rhythm to long dining tables, kitchen islands, or contemporary commercial spaces.
