

MARREIRA

39899A 30" LED Flush Mount

The Marreira LED flush mount brings refined rhythm and organic texture to contemporary spaces. Its rectangular black metal frame is accented with alternating oak veneer bars and luminous white LED light strips, creating a clean, layered look. The integrated LEDs emit a soft, warm white glow and are fully dimmable, allowing you to set the perfect atmosphere throughout the day. A perfect match for minimalist or nature-inspired interiors, the Marreira adds visual interest and balanced illumination with effortless style.
