SCORRANO

75795A 11" 3CCT LED Table Lamp

Scorrano is a rechargeable, cordless LED table lamp with a sleek white finish and white diffuser. Its integrated LED casts a warm glow with three adjustable color temperatures: 2200K, 3000K, and 4000K. Effortlessly control it with a simple touch—turn it on, off, or dim using the intuitive Touch-Me area. Its built-in battery makes it perfect for a bedside table, dining ambiance, or a covered outdoor patio.
