

TAPARITA

900681A 17" LED Exterior Wall Sconce

The Taparita wall light brings sleek, modern design to both indoor and outdoor spaces with its slim black silhouette and integrated LED. It casts a soft glow towards the wall, creating a beautiful accent of light that adds depth and atmosphere. Perfect for entryways, patios, or garage façades, or in hallways this fixture combines style, durability, and energy efficiency in one clean-lined design.
