

ALMUDAINA

900908A 19" LED Table Lamp

The Almudaina LED table lamp features a sleek black finish with a minimalist, tube-shaped shade mounted to a round base. The integrated LED emits a pleasant warm white glow, providing focused, functional lighting for desks, nightstands, or side tables. The adjustable head allows you to direct light onto reading areas, workspaces, or accent pieces, offering both flexibility and style. A discreet inline rocker switch on the power cord ensures easy on/off control. Its clean, understated design pairs effortlessly with modern and contemporary interiors, making it a perfect choice for bedrooms, offices, or living areas.
