ALMUDAINA

900909A 62" LED Floor Lamp

The Almudaina LED floor lamp features a sleek black finish with a minimalist, tube-shaped shade mounted to a round base. The integrated LED emit a pleasant warm white glow, providing focused, functional lighting for living rooms, bedrooms, or reading corners. The adjustable head allows you to direct light onto seating areas, artwork, or décor, offering both flexibility and style. A discreet foot pedal switch on the power cord ensures easy hands-free on/off control. Its clean, understated design pairs effortlessly with modern and contemporary interiors, making it a perfect choice for any living space.
