ESTEPERRA

99276A 5" Wall Sconce

The Esteperra wall sconce blends classic form with flexible function. Its black drum shade is lined in warm gold and detailed with a laser-cut band that casts subtle patterns of light. Designed for hardwired or plug-in installation, it features a convenient on/off switch on the canopy. Ideal for bedsides, reading nooks, or hallways, this sconce offers a soft, sophisticated glow and a touch of decorative flair.
