

MASETA

99633A 9" Pendant Light

The Maseta single pendant is a harmonious combination of metal and glass. The black wire lamp shade with an hourglass shape has an internal metallic smoked glass and is hung from a black canopy and black textile cable. The outer wire shade adds dimension to a room with a fascinating play of light and shadow when illuminated. Whether in the kitchen, dining room, bedroom or office, this pendant will add the right amount of atmospheric light.
